FLOWCHART OF HANDLING DISCILINARY CASES ESCALATED TO THE COMMISSION

Pursuant to **Part IV of the Third Schedule to the Judicial Service Act (Cap. 8),** disciplinary cases in which judicial officers and staff do not exculpate themselves are escalated to the Commission for processing.

The Secretariat is currently reviewing its standards for handling disciplinary cases escalated to the Commission, with a view to ensuring that such cases are processed in an effective, efficient, and expeditious manner.

In this regard, a flowchart on the handling of disciplinary cases escalated to the Commission has been developed to guide the relevant Directorates and Departments. The flowchart takes effect from **1st Janaury, 2026.**

You are hereby requested to put in place the necessary arrangements to operationalize the flowchart within your respective Directorates and Departments.

The template to be used in registering cases is also attached for ease of reference.

Thank you.
